Camper Mail

Save big on postage! Instead of mailing letters or packages to campers, bring them when you bring your child and we'll deliver them! On the envelope, print your **child's name**, their **counselor's name**, and what **day** you'd like them to receive it. If you choose to prepare a package for your camper to receive during the week, please keep them small (shoe box size or smaller) as the volume of mail is huge in busy camp weeks. Thanks!

Unfortunately, we are no longer able to offer camper emails. Sorry for any inconvenience.

Canteen, Camp Store, & Espresso Stand

To keep your camper's funds safe and conveniently accessible during free time, deposit their funds in a spending account, with a **maximum of \$50** per week. Spending money may be paid ahead of arrival or deposited when the camp begins. On the last day of camp, any remaining funds are returned to the camper or can be donated to our summer missions program.

At the Canteen, outside Nisqually Center, campers can purchase snacks and cold drinks. Campers are also welcome to visit the espresso stand. Coffee beverages are only available to campers in the S.A.L.T. Program, not our younger campers. The Gift Store offers gift items, books, shirts, and even toothbrushes for those who forgot them! Shop for a shirt with your camper at the beginning or end of camp. They may shop during the week for smaller items, with funds debited from their Store/Canteen fund.
